Attn: [Requesting Office / Analyst] — Request Ref. No. [_____]

RE: Response to Information Request — Cross-Border Quasi-Cash Activity (Period 2025-03-01 to 2025-11-07)

To Whom It May Concern:

CloudWalk Payments Inc. (“CloudWalk”) submits this response to the above-referenced request and, in a spirit of full cooperation, is producing the responsive records described below. This response and the accompanying production are made in the ordinary course of CloudWalk’s Bank Secrecy Act obligations and **do not constitute an admission of any fact, liability, or violation.**

1. Institution Identification

- **Legal entity:** CloudWalk Payments Inc., a U.S. payments company.
- **Institution type:** Non-bank payment processor and card program manager (issuing and merchant acquiring), operating under a sponsor-bank arrangement with the Lead Bank (an FDIC-member institution), which serves as the filing institution of record.
- **Registration identifiers:** BSA E-Filing Institution ID[_____]; FinCEN MSB Registration No. [_____] (as applicable); Lead Bank BSA Officer of record [_____].

2. Data to be Produced

- **Responsive population and approximate record volume (period 2025-03-01 through 2025-11-07):**

Cross-border transactions (all)	~7,479 records
Cross-border at high-risk MCCs	~1,990 records
MCC 6051 — Quasi Cash / Crypto (total)	~1,687 records
Merchant-country distribution (cross-border)	CA 2,956 · BR 1,971 · GB 692 · AE 612 · TR 329
MCC 6051 merchants in scope	CryptoBuy24 #304, #315, #332, #353, #381

- **Transaction fields:** txn_id, txn_timestamp_utc, card_id, customer_id, merchant_id, mcc, amount_usd, merchant_country, acquirer_country, channel, pos_entry_mode, device_id, ip_address, response_code, status, is_chargeback, is_refund.
- **Customer (CIP) fields:** customer_id, full_name, dob, ssn_last4, country, document_type, doc_issue_country, doc_expiry_date, kyc_level, risk_rating, pep_flag, sanctions_match_score, last_kyc_refresh.
- **Merchant (KYB) fields:** merchant_id, dba_name, primary_mcc, incorporation_country, beneficial_owners_json, ofac_match_score, msb_registration_number, high_risk_mcc_flag, last_kyb_refresh.
- **Delivery format:** delimited flat files (CSV, UTF-8) with a data dictionary, transmitted via the FinCEN secure channel / BSA E-Filing; XML on request.

3. Records Retention (BSA-Aligned)

- **SARs, CTRs, and supporting documentation** — 5 years from date of filing (31 CFR 1020.320 / 1010.430).
- **CIP records** — 5 years after the account is closed (31 CFR 1020.220).
- **Travel Rule records** — 5 years (31 CFR 1010.410). Transaction and monitoring records are retained for no less than 5 years.
- *All records responsive to this request are within their retention period and available for production.*

4. Limitations and Caveats

- **Scope of capture.** The following reflect how data is captured in the ordinary course; CloudWalk produces the records it holds and does not reconstruct, infer, or speculate beyond them.*
- **ip_address and device_id are captured for the ECOM channel only;** neither is available for card-present transactions.
- **PAN is stored in hashed / tokenized form (card_id);** plaintext PAN is not retained and cannot be produced. Customer identifiers include ssn_last4 only.
- **Null fields** indicate data not captured at the time in the ordinary course and are produced as-is.

5. Governance Approvals and Delivery

- **Internal approval:** reviewed and approved by the Chief Compliance Officer and the Office of the General Counsel, noted to the Board Risk/Audit Committee; coordinated with the Lead Bank BSA Officer as filing institution of record.
- **Proposed delivery:** production within **[14 / 30]** calendar days of the request date (by **[date]**); interim status available on request.

- **Confidentiality:** handled under applicable 314(a) protocols where relevant; no subject has been or will be notified.

CloudWalk appreciates the opportunity to assist FinCEN and remains available to provide clarification or additional responsive records.

Respectfully submitted,
